

Lesson 14: Pronouns (Module B)
Demonstrative Pronouns
Study Aid Level Three: Transliteration

Instructions. Do you remember when transliteration was first introduced? You transliterated words, phrases, and sentences that did not make any sense to you. Because of your progression in NTGreek, you will be able to transliterate the following Greek words, phrases, and sentences into English and know what they mean. Congratulations!

The smooth breathing mark is not required to be reflected in your English transliteration.
